Introduction to admissions in Suffolk

This directory provides information about secondary (including upper and high) schools in Suffolk in the 2017/2018 school year. It does not cover independent schools. It explains how places are offered when a school gets too many applications.

There is a separate directory which provides information for primary (including infant, junior and middle) schools.

Normal year of entry applications

If you are applying for a school place in the normal year of entry please read the **'Admissions to Schools in Suffolk 2017/2018'** guide for information on how and when to apply for a school place. The normal years of entry for schools are shown below:

School phase	Normal year of entry
Primary	Reception
Infant	Reception
Junior	Year 3
Middle	Year 5
High	Year 7
Upper	Year 9

It is important that you **apply by the relevant closing date for applications for school places**, please see page 4. If you do not apply by the closing date your application may not be dealt with until after places have been offered to those who applied on time. This means that all available places at your preferred school(s) may have been filled.

The easiest and most secure way to apply for a school place is online at **www.suffolk.gov.uk/admissions**. We recommend that you apply online

because it is quick and easy, and you will receive an email on offer day with details of your child's offer of a school place. If you are applying online your application must be completed and submitted by midnight on the closing date. You cannot apply online after the closing date.

Alternatively the CAF1 application form is available on our website or you can contact the Admissions Team or the school for a paper copy. If you apply on a paper application form, a letter will be sent to you on the relevant offer day by second class post.

In-year applications

If you are applying for an in-year school place please read the **'In-Year Admissions to Schools in Suffolk 2017/2018'** guide for information on how and where to apply for a school place. An in-year application is made when a parent or carer applies for their child to go to a new school during the school year, or at the start of the school year but in a different age group from the school's normal year of entry.

The Admissions Team are here to help you. Copies of the guides, directories and information about applying for a school place can be found online at **www.suffolk.gov.uk/admissions**, including Frequently asked Questions (FAQs). **Or you can contact us:**

Important dates

These dates only apply to applications for the normal year of entry. Please read the 'Admissions to Schools in Suffolk 2017/2018' guide for more information.

These dates do not apply to in-year applications. If you are making an in-year application please read the 'In-Year Admissions to Schools in Suffolk 2017/2018' guide for more information.

Both guides are available at www.suffolk.gov.uk/admissions. You can ask for a paper copy by contacting us on 0345 600 0981 (local rate).

Key information about schools

Suffolk's co-ordinated admissions scheme

There are different types of schools in Suffolk (maintained, academies and free schools) and we (Suffolk County Council) co-ordinate admissions to the normal year of entry for them all.

The co-ordinated admissions scheme is set out in full on our website at www.suffolk.gov.uk/admissions. You can also request a paper copy by contacting us on 0345 600 0981 (local rate). This document provides the detailed admission arrangements for Suffolk and is in place to make sure all applications are handled fairly, consistently and efficiently.

However, for in-year applications, you will need to apply to some schools directly. In these cases the school's governing body or academy trust will process your application. For all other schools in-year applications will be processed by Suffolk County Council.

The different types of schools in Suffolk and information about where to send your application are shown below:

School type	Where to send your application	
	Normal year of entry	In-year
<p>Maintained schools A maintained school is a state school funded by central government through the local authority and does not charge fees. These include community, voluntary controlled, voluntary aided and foundation schools.</p> <ul style="list-style-type: none"> <p>Community and Voluntary Controlled (VC) schools We are the admissions authority for these schools and we are responsible for setting the admissions arrangements and allocating places in accordance with Suffolk County Council's published oversubscription criteria.</p> <p>Voluntary Aided (VA) and foundation schools These schools are run by the school governors so the school's governing body is the admissions authority. <p>Academies and free schools Academies and free schools receive their funding direct from central government and are outside Suffolk County Council's control. These schools are run by the school governors or academy trust and they are the admissions authority responsible for setting the admissions arrangements and allocating places in accordance with the published oversubscription criteria. Some schools will become academies during the school year.</p>	<p>Suffolk County Council</p>	<p>School</p>

How places are offered if there are more applications than places available - community and voluntary controlled schools

Where there are more applications than places available we will rank your application using Suffolk County Council's admissions oversubscription criteria below.

Some foundation, voluntary aided, free schools and academies also use our admissions oversubscription criteria. These schools are identified in this directory. These criteria may also be used to allocate places at schools that were community or voluntary controlled schools when their admissions arrangements were determined for 2017, but have since converted to academy or foundation status.

- For applications to the normal year of entry at a school, these criteria will be applied according to the circumstances existing by midnight at the end of the closing date.
- For in-year applications, these criteria will be applied according to circumstances existing at the time of application.

Admissions oversubscription criteria

Children who have a Statement of Special Educational Needs, or an Education, Health and Care plan which names the school must by law be offered a place at that school.

1

Looked after children (children in care) and previously looked after children (children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order, immediately following having been looked after).

2

Siblings (children who are brothers and sisters, or who live as a family at the same address) of pupils who are already at the school or who have already been offered a place, and who will still be there at the time of admission (but not in the sixth form). Priority will be given, where necessary, to applications where there is the smallest age gap.

3

Children who are **ordinarily resident** in the catchment area.

Places will be allocated in the following priority order:

- a)** If the school is voluntary controlled, children whose parents/carers are applying on the grounds that the child and/or the family are practising members of the Church of England. You must complete a Suffolk County Council Supplementary Information Form (SIF). This SIF must specifically state that you and/or your child are a practising member of the Church of England and that you and/or your child go to church regularly, that is to say at least once a month.
- b)** Children who live nearest to the school. We will measure the distance by a straight line ('as the crow flies'). All straight line distances are calculated electronically by Suffolk County Council using data provided jointly by the Post Office and Ordnance Survey. The data plots the co-ordinates of each property and provides the address-point between which the straight line distance is measured and reported to three decimal places. Where there is more than one home within a single building (for example apartments) we will measure to a single point within that building irrespective of where those homes are located.

4

Children who live outside the school's catchment area in the same priority order as set out in (a) and (b) above.

How places are offered if there are more applications than places available - community and voluntary controlled schools

Notes to the admissions oversubscription criteria

Looked after children

A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

Previously looked after children

Previously looked after children includes children who were adopted under the Adoption Act 1976 (section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (section 46 adoption orders). Child arrangements orders are defined in section 8 of the Children Act 1989, as amended by section 12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order.

Distance tie-breaker

It is possible that the PAN of the school will be reached in any one of the categories set out on page 6. For this reason, all applications will be prioritised according to the criteria described. Decisions will be made about the offer of places in accordance with those priorities. If it is necessary to use a tie-breaker to distinguish between two or more applications, a distance criterion will be used. We will give priority to the applicants who live nearest to the school as measured by a straight line.

In the unlikely event that two applicants competing for a single place at a school live the same distance from the school, the place will be offered to one applicant on the basis of lots drawn by an officer of Suffolk County Council not involved with admissions.

Twins, triplets and other multiple births

If the final place available at a school is offered to a twin, triplet or other multiple birth and the remaining sibling/s would ordinarily be refused, Suffolk County Council will offer places to the remaining sibling/s at the same school. The law requires that this will apply even in those primary schools where this would mean that more than 30 pupils would be admitted to an infant class with a single qualified teacher. This also applies to any other school using Suffolk County Council's admission arrangements.

Waiting lists

If we are unable to offer your child a place at one of your preferred schools we will automatically add their name to the waiting list for those schools. Names are placed on the waiting list in the priority order set out in the school's admissions oversubscription criteria. The order of the waiting list can change each time a child's name is added or the circumstances of a child already on the list changes. As a result a child's place on the list can go up or down (e.g. due to withdrawals or late applications).

If you change your address while your child is on a waiting list you must let us know. Please be aware that this may change your child's position on the waiting list, particularly if you move into or out of the school's catchment area. Written evidence of this will be required.

Having your child's name on a waiting list will not affect your right to appeal for any of the schools you have been refused a place at.

How places are offered if there are more applications than places available - community and voluntary controlled schools

Late applicants will be added to any waiting lists in oversubscription priority order if their parental preferences cannot be met.

If a place becomes available at a school we will offer it to a child who is ranked highest on the waiting list. We do not offer places on the basis of the date on which names were placed on the list.

The waiting lists will close at the end of the first full week of the spring term (Friday 12 January 2018).

Suffolk County Council does not hold waiting lists for in-year applicants.

Making another application for a place at the same school

You can apply for a place for your child at any time to any school outside of the normal admissions round. However, if your application for a school place is refused, we will not determine a further application for a place in the same school in the same school year, unless there has been a significant change in the circumstances of you, your child or school. Such circumstances might be a house move or a place becoming available at the school.

If there is no significant change in circumstances, you can make another application for the following school year. However, this will not normally be considered more than one term ahead of the date when you want your child to start at the school.

Ordinarily resident

By “ordinarily resident” we mean the place where your child usually lives. We consider this to be where they sleep overnight. We may need proof of this address. We will not treat your child as ordinarily resident if you rent or own a second home in the catchment area or if you use another address to give the impression that your child lives in the catchment area so that you have a higher priority for a place at that school. Where a child lives at two or more different addresses, each for part of the week, the address at which the child is ordinarily resident will be considered to be the address that the child lives at for most of the week (excluding weekends and school holidays). Separate evidence in writing from each parent must be provided to confirm the child’s living arrangements at the time of application.

In cases where the child spends an equal proportion of the school week at two or more different addresses, evidence of which is to be considered the main contact address will be required to support the application. Agreement in writing by the parents will be required to state which address is to be used as the ‘ordinarily resident’ address. This address will then be used when processing all school preferences expressed. It is not acceptable to use one address for one school preference and another address for another school preference.

If we are aware of a parental dispute affecting the application, we may not be able to deal with the application and you may need to seek independent legal advice in order to resolve the matter.

School details

Suffolk County Council makes decisions for community and voluntary controlled schools.

The governing bodies or academy trusts of foundation, voluntary aided, free schools and academies determine the order in which applications should be ranked according to their oversubscription criteria. These are known as own admission authority schools.

The following pages provide alphabetical lists of Suffolk secondary (including upper and high) schools, sixth form colleges, special schools and pupil referral units.

We have provided some key information about each school to help you when you are applying for a school place, including the:

- School's address and phone number.
- School's website (if they have one).
- Age range and type of school.
- Headteacher's name.
- Published Admission Number (PAN) for 2017/2018, further information below. Where you see an '**' this indicates that as the PAN for 2017/2018 is lower than the PAN for 2016/2017 you should be aware that places will be more limited and the pattern of admissions may change.
- The sixth form PAN for 2017/2018. This is the number of students who can be admitted from outside the school to Year 12 (that is to say, not including those students who transfer from Year 11 itself).
- School's oversubscription criteria, if it is different to Suffolk County Council's oversubscription criteria which is on page 6 of this directory.
- Supplementary Information Form (SIF). You may need to complete and submit a SIF at the same time as making your application. Further information will be in the school's admissions policy.

Published Admission Number

A set number of places are offered in any one year. This number is known as the Published Admission Number (PAN), which is based on a national formula for deciding how many children can go to a school, without causing overcrowding.

Although the PAN applies to the year of entry, we would normally apply this number across all year groups in the school. However, there may be times for other year groups where this is not possible.

If the number of applicants is less than the PAN all applicants will normally be admitted. If a school receives more applications than it has places available ('oversubscribed') then the school's published oversubscription criteria are used to decide which applicants will be offered places.

School details

Admissions policies

The wording in this directory will be a summary of the full admission policy and therefore you must refer to the school's own admissions policy which sets out how places will be prioritised. You can get a copy of the full policy from the school or online at www.suffolk.gov.uk/admissions.

Information from the 2016/2017 school year

We have also included information relating to the on time applications we received for the normal year of entry to the school in September 2016 (2016/2017 school year). This is to help you judge whether or not your application for a school place might be successful when you are completing your application. It includes the:

- Published Admission Number (PAN) for 2016/2017.
- Number of pupils on roll at the school in January 2016.
- Number of applications received by the closing date. This is the number of applications for which no higher preference school was offered. It may include second and third preferences as well as first preferences. The figure is intended to give you an idea of the demand for places at the school. Please note that if you only apply for schools that have previously had more applications than places, there is a possibility that you will not be offered a place at any of them.
- Number of places that were actually allocated at the school to on time applicants.
- Number of on time applications that were refused.
- Criterion under which the last child was admitted to oversubscribed schools. Where schools were not oversubscribed all applicants were admitted. Where schools were oversubscribed, the oversubscription criteria was applied and the cut-off point is indicated.

Notes:

If a website address is not included with a school's information you may be able to access their details at www.school-portal.co.uk.

We have not included information on independent schools.

The information is correct as of July 2016. However, we cannot rule out the need for changes before the start of the 2017/2018 school year. Any changes will be up-dated online at www.suffolk.gov.uk/admissions.

2017/2018 Oversubscription criteria:

After the admission of students with statements of Special Educational Needs where Beccles Free School is named on the statement, the criteria will be applied in the order in which they are set out below:

1. A "looked after child" or a child who was previously looked after (children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order, immediately following having been looked after) but immediately after being looked after became subject to an adoption, residence, or special guardianship order. A "looked after child" is a child who is;
 - a) in the care of a LA, or
 - b) being provided with accommodation by a local authority in the exercise of their social services functions ("looked after children" as defined in section 22(1) of the Children Act 1989).
2. Children with a sibling attending Beccles Free School at the time of application. A Sibling is defined in these arrangements as children who live as brother or sister in the same house, including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers and sisters.
3. Other children by distance from Beccles Free School, with priority for admission given to children who live nearest to the school as the crow flies. Distances are measured between the two full UK postcodes of the student's home and the school postcode using a website that calculates the distance up to three decimal places between the two points. Random allocation will be used as a tie-break in category '3' above to decide who has highest priority for admission if the distance between two children's homes and the school is the same. Should a sibling who is from a multiple birth be offered the last intake place for that year, their siblings will automatically be offered a place too, even if that makes the intake over the Published Admission Number.

b) Other children living nearest to the school, ranked by distance from the school according to the proximity criteria described below in 'Tie-breaker'.

Tie-breaker: In the event of oversubscription in any category above, priority will be determined by the proximity of the child's home to The Bury St Edmunds Technical Academy using a straight-line distance. All straight line distances are calculated electronically using data provided jointly by the Post Office and Ordnance Survey.

2017/2018 Oversubscription criteria:

If the number of applications is greater than the PAN, we will use our admissions oversubscription criteria to decide who gets a place.

The following details show the order of priority for places in the case of oversubscription:

1. Looked after children (children in care) and previously looked after children (children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order, immediately following having been looked after).
2. For Castle Manor Academy: children from the named local partner feeder primary schools; the Family of Schools, with a brother or sister (sibling) attending Castle Manor Academy at the time of application, with a reasonable expectation they will be attending at the start of the new school year. Attendance at Castle Manor Academy will also include the sixth form. Priority will be given, where necessary, to applications where there is the smallest age gap between siblings. If you have more than one child at the Academy, please name the youngest one.
3. For Castle Manor Academy: children attending one of the named local partner feeder schools; the Family of Schools, who do not have a brother or sister (sibling) attending Castle Manor Academy. Applications in this category will be ranked using the distance criteria described in the tie-breaker (below).
4. Children of staff employed by the school in the following circumstances:
 - a) Where the member of staff has been employed at the school for two or more years at the time at which application for admission to the school is made, or
 - b) The member of staff is recruited to the school to fill a vacant post for which there is a demonstrable skill shortage.
5. one child in the Academy Trust, please name the youngest one.

6. Children who do not attend a named local partner feeder primary school who do not have a brother or sister (sibling) attending one of the schools in the Academy Trust. Applications in this category will be ranked using the distance criteria described in the tie-breaker (below).

The Tie-breaker: In the event of oversubscription, having applied the criteria outlined above, priority will be determined by the distance of the child's home from the Academy they have applied to. This will be done by measuring the distance by a straight line ('as the crow flies'). All straight line distances are calculated electronically by Suffolk County Council using data provided jointly by the Post Office and Ordnance Survey.

2017/2018 Oversubscription criteria:

In the event of a year group being oversubscribed, and after the admission of pupils with a Statement of Special Educational Needs or an EHCP where the school is named, priority for admission will be given to those children who meet the criteria set out below, in order:

- A. A 'looked after child' or child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of its social services functions (see definition in section 22(1) of the Children Act 1989.
- B. Children with a sibling attending the school at the time of application who is reasonably expected to still be attending the school at the proposed time of admission.
- C. Other children by distance from the school with priority for admission being given to those who live nearest to the school as measured by a straight line.

Tie-breaker: In each criterion above, if there are more applicants fulfilling the criterion than there are places available then priority will go to children living nearest the school as measured by a straight line. If the distance between two or more children's home addresses and the school is the same then random allocation will be used to decide who has highest priority for admission. The random allocation process will be independently verified.

The application will need to be supported by a letter from a hospital consultant, social worker or similar professional. The information should demonstrate why the academy is the only school able to meet the child's specific needs. b) Children who are brothers and sisters of, or who live as a family at the same address as, students who are already at the school and who will still be there at the time of admission. Priority will be given, where necessary, to applications where there is the smallest age gap. If you have more than one child at the school, please name the youngest one. In the event of a 'tie break' under this criterion, the distance criterion set out in 2(c) below will be used to prioritise admission. c) Children who live nearest to the academy. Suffolk LA will measure the distance by a straight line ('as

Secondary (including upper and high) schools

the crow flies'). All straight-line distances will be calculated electronically by Suffolk Local Authority (LA) using data provided jointly by the Post Office and Ordnance Survey. The data plots the co-ordinates of each property and provides the address-point between which the straight-line distance is measured and reported to three decimal places. Where there is more than one home with a single building (for example apartments) we will measure to a single point with that building irrespective of where those homes are located. In the event of a tie break under the distance criterion, random allocation will be used.

3. Any remaining places will be offered to children who live outside the academy's catchment area in the same priority order as set out in 2 above.

After the admission of students with statements of Special Educational Needs where Ixworth Free School is named on the statement, the criteria will be applied in the order in which they are set out below:			
1. A "looked after child" or a child who was previously looked after (children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order, immediately following having been looked after) but immediately after being looked after became subject to an adoption, residence, or special guardianship order. A "looked after child" is a child who is;			
a) in the care of a LA, or			
b) being provided with accommodation by a local authority in the exercise of their social services functions ("looked after children" as defined in section 22(1) of the Children Act 1989).			
2. Children with a sibling attending Ixworth Free School at the time of application. A Sibling is defined in these arrangements as children who live as brother or sister in the same house, including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers and sisters.			
3. Other children by distance from Ixworth Free School, with priority for admission given to children who live nearest to the school as the crow flies. Distances are measured between the two full UK postcodes of the student's home and the school postcode using a website that calculates the distance up to three decimal places between the two points. Random allocation will be used as a tie-break in category '3' above to decide who has highest priority for admission if the distance between two children's homes and the school is the same. Should a sibling who is from a multiple birth be offered the last intake place for that year, their siblings will automatically be offered a place too, even if that makes the intake over the Published Admission Number.

Secondary (including upper and high) schools

2017/2018 Oversubscription criteria:

Children who have a Statement of Special Educational Needs/Education and Health Care Plan which names the school must by law be offered a place at that school.

The following admissions oversubscription criteria show the order of priority for places at Kesgrave High School. For entry year applications, these criteria will be applied according to the circumstances existing at the specified closing date.

1. Children in Public Care - Looked After Children and previously Looked After Children, (children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order, immediately following having been looked after). For further guidance please see the School Admissions Code, paragraph 1.7.
2. Children of staff at the school. The school will give priority in their oversubscription criteria to children of staff in either or both of the following circumstances:
 - a) where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or
 - b) the member of staff is recruited to fill a vacant post for which there is a skill shortage.
3. Children who are ordinarily resident in the catchment area. Places will be allocated in the following priority order:
 - a) Children with a brother or sister (sibling) attending Kesgrave High School at the time of application with a reasonable expectation they will be attending at the start of the new school year. Attendance at Kesgrave High School will include attendance at the Sixth Form.
 - b) Children who live nearest to the school, using a straight-line distance.
4. Children attending one of the named partner primary schools.
5. Applications from children who do not normally reside within the catchment will be considered if there are still places available and will be determined by the following criteria:
 - a) Children with a brother or sister (sibling) attending Kesgrave High School at the time of application with a reasonable expectation they will be attending at the start of the new school year. Attendance at Kesgrave High School will include attendance at the Sixth Form.
 - b) The proximity criteria described below in 'Tie-breaker'.

Tie-breaker: In the event of oversubscription in any category above, priority will be determined by the proximity of the child's home to Kesgrave High School using a straight-line distance. All straight line distances are calculated electronically by Suffolk County Council using data provided jointly by the Post Office and Ordnance Survey.

2017/2018 Oversubscription criteria:

Places will be first allocated to students with statements of special educational needs or an Education, Health and Care Plan which name Ormiston Denes Academy. Then, if there are more applicants than places for the academy, the remaining places will then be offered in the following order of priority:

1. Looked after children (children in care) and previously looked after children (children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order, immediately following having been looked after).
2. Siblings (children who are brothers and sisters of, or who live as a family at the same address) of pupils who are already at the school or who have already been offered a place, and who will still be there at the time of admission. Places will be first allocated to students with statements of Special Educational Need. Then, if there are more applicants than places for the school, the remaining places will then be offered in the following order of priority:

1. Looked After Children. Looked After Children are children "who are in the care of a local authority or provided with accommodation by that authority in accordance with section 22 of the Children's Act 1989".
2. Students with exceptional medical, social, or other needs that can only be met by providing a place at the particular school concerned rather than any other school.
3. Students with a sibling in attendance at the Academy and who will still be on roll in the year of entry. A sibling refers to "brother or sister, step-brother or step-sister or the child of the parent/carer's partner where the child for whom the place is sought is living in the same family unit at the same address as that sibling."
4. Students who live closest to the Academy.

Distances are measured by the shortest walking route, using roads and lit pathways, from the front door (or door number, with preference on lowest number in a block of flats) of the student's home address to the student entrance of the Academy.

Applications made under criterion 2 will only be considered if supporting evidence from an appropriate professional or other suitably qualified person (e.g. doctor or social worker) is attached to the application form.

2017/2018 Oversubscription criteria:

Pupils with a statement of Special Educational Needs or Education, Health and Care Plan (EHC plan) that name the Academy will be admitted.

1. Looked after Children or previously looked after children will be admitted as the top priority.
2. Exceptional Medical Need (see below).
3. In the event of oversubscription, applications from within the priority admission area (from the named feeder partner schools) will be considered next and determined using the following criteria:
 - a) Children with a brother or sister (sibling) attending Samuel Ward at the time of application with a reasonable expectation they will be attending at the start of the new school year. Attendance at Samuel Ward will include attendance at the Sixth Form.
 - b) Children attending one of the named partner schools who do not have a brother or sister (sibling) attending Samuel Ward.
4. Applications from children who do not attend a named partner school will be considered and will be determined by the following criteria:
 - a) Children with a brother or sister (sibling) attending Samuel Ward at the time of application with a reasonable expectation they will be attending at the start of the new school year.
 - b) The proximity criteria described below in 'Tie-breaker'.

Medical Need: Exceptional medical circumstances supported by written medical evidence may override all but the first criterion. Any such applications must be received by the closing date in the co-ordinated scheme and will be considered by the Admissions Committee of the school. The extent and circumstances in which medical need would override those above would relate to situations in which e.g. a hospital consultant has stated in writing that attendance at Samuel Ward was an essential in terms meeting the medical needs of the child. The evidence should come, however, from at least one registered health professional and should set out the particular reasons why Samuel Ward is the most suitable school.

Tie-breaker: In the event of oversubscription, priority will be determined by the proximity of the child's home to Samuel Ward. We measure by a straight line ('as the crow flies'). All straight line distances are calculated electronically by Suffolk County Council using data provided jointly by the Post Office and Ordnance Survey.

Criterion under which last child admitted – priority group 13 – other non-Catholic children – see 2016/2017 policy				
2017/2018 Oversubscription criteria: Pupils are admitted into National Curriculum Year 7 who have attained the age of 11 years by 31 August prior to entry. The Governors are required by law to admit to the school those who have an Education Health and Care Plan which specifically name St Benedict's as the appropriate school. Other students are therefore admitted to the school according to the following priorities.				
<ol style="list-style-type: none"> 1. Baptised Roman Catholic looked after children (children in care) and previously looked after children (children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order, immediately following having been looked after) currently attending Year 6 of a 2 tier primary school. 2. Baptised Roman Catholic children currently attending one of the following West Suffolk Catholic Pyramid Schools: St Felix Primary School Haverhill, St Louis Primary Academy Newmarket, or St Joseph's Primary Sudbury, with brothers or sisters or who live as a family at the same address as those who are currently attending St Benedict's School and who will continue to attend the school at the time of entry. 3. Other baptised Roman Catholic children currently attending one of the West Suffolk Catholic Pyramid Schools as listed above. 4. Baptised Roman Catholic children currently attending Year 6 of a primary school with brothers or sisters or who live as a family at the same address as those who are currently attending St Benedict's School and who will continue to attend the school at the time of entry. 5. Baptised Roman Catholic children currently attending Year 6 of a 2 tier primary school. 6. Other baptised Roman Catholic children. 7. Non-Catholic looked after children (children in care) and previously looked after children (children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order, immediately following having been looked after). 8. Non-Catholic children attending one of the West Suffolk Catholic Pyramid Schools, with brothers or sisters or who live as a family at the same address as those who are currently attending St Benedict's School and who will continue to attend the school at the time of entry. 9. Non-Catholic children attending one of the West Suffolk Catholic Pyramid Schools, who attend their place of worship at least monthly. A supporting signature from the appropriate leader of their religious community will be required on the Supplementary Information Form. 10. Other non-Catholic children attending one of the West Suffolk Catholic Pyramid Schools. 11. Other non-Catholic children with brothers or sisters or who live as a family at the same address as those who are currently attending St Benedict's School and who will continue to attend the school at the time of entry. 12. Other non-Catholic children who attend their place of worship at least monthly. A supporting signature from the appropriate leader of their religious community will be required on the Supplementary Information Form. 13. Other Non-Catholic children. 				
In the event of over-subscription occurring under any of the above categories, places will be offered to children within that category according to the result of the drawing of names by an Independent person who is not a member of the Governing Body.				
Supplementary Information Form: This school requires a SIF for certain criteria.

Pupils with a statement of Special Educational Needs or Education, Health and Care Plan (EHC plan) that name the Academy will be admitted. Looked after Children or previously looked after children be admitted as the top priority. We will admit pupils using the oversubscription criteria listed below in descending order.					
1. Exceptional Medical Need (see below).					
2. Children of staff of the academy who have been employed at the academy for two or more years at the time at which the application for admission was made, and/or who are recruited to fill a vacant post for which there is a skill shortage.					
3. Children with a brother or sister (sibling) attending Sybil Andrews at the time of application with a reasonable expectation they will be attending at the start of the new school year.					
4. Children attending one of the named partner schools, including those who do not have a brother or sister (sibling) attending Sybil Andrews.					
5. Children who live in the catchment area of a partner school who are not attending a partner school.					
6. Distance - as outlined in the section labelled 'Tie breaker' below.					
Tie-breaker: In the event of oversubscription, those living nearest the school will be given priority. We measure by a straight line ('as the crow flies'). All straight line distances are calculated electronically by Suffolk County Council using data provided jointly by the Post Office and Ordnance Survey.

Medical Need: Exceptional medical circumstances supported by written medical evidence may override all but the first criterion. Any such applications must be received by the closing date in the co-ordinated scheme and will be considered by the Admissions Committee of the school. The extent and circumstances in which medical need would override those above would relate to situations in which e.g. a hospital consultant has stated in writing that attendance at Sybil Andrews was an essential in terms meeting the medical needs of the child. The evidence should come, however, from at least one registered health professional and should set out the particular reasons why Sybil Andrews is the most suitable school.

2017/2018 Oversubscription criteria:

All children whose statement of special educational needs or education health and care plan names the academy must be admitted (paragraph 1.6 of the School Admissions Code, February 2014).

If there are more applications for places than there are places available, we will give preference to children according to the following rules in this order of priority:

1. Looked after children and previously looked after children (children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order, immediately following having been looked after) in accordance with section 22 of the Children's Act 1989.

2. Siblings; which for the purposes of this policy are defined as: Children living permanently at the same address as a child attending the academy at the time of their admission.
3. Other children by distance from the academy, with priority for admission given to children who live nearest to the academy as measured using Ordnance Survey data to plot an address. Distances are measured from the main entrance of the child's address to the door outside the academy's reception on the site where the child will predominantly be based.

Comments, compliments and complaints

Our aim is to make sure your child gets the best education possible. If you have any comments, compliments or complaints about your child's education, it is best to discuss this with a member of staff or the headteacher at your child's school. This can be put in writing if you prefer.

Most issues can be resolved without any further action. However, if you are not happy with the outcome, you should ask the school for details of their complaints policy.

If your complaint relates to a service you have received from Suffolk County Council you can contact Suffolk County Council's Complaints Team (Customer Rights).

Phone: 01473 260711

Email: customerrights@suffolk.gov.uk

Comments or compliments about our services can also be sent to Suffolk County Council's Complaints Team (Customer Rights).

Data Protection

We will use the information you have provided in your application for a school place in accordance with the Data Protection Act 1998. We will check and/or share this information, where necessary, with other admission authorities, local authorities, schools or education professionals, and Suffolk County Council's home to school transport service, to process your application and support the development of services. We will also use the information to enable Suffolk County Council to keep up to date figures on the availability of school places. We may share your information with other agencies to help you and/or your family to receive the appropriate services for your child's education, to help prevent fraud, or if required to do so by law.

We have been careful to make sure the information within this publication is accurate at the time of printing. However, we cannot rule out the need for changes before the start of the 2017/2018 school year. Any changes will be up-dated at www.suffolk.gov.uk/admissions.
