**CRITICS ARE RAVING AFTER STOKE HIGH SCHOOL ORMINSTON ACADEMY'S AMAZING CABERET FROM MOULIN ROUGE ON THE 20TH AND 21ST OF MARCH INCLUDING PEOPLE FROM ALL YEAR GROUPS.**

The Story is about Paul, the owner of Moulin Rouge, trying to keep his business running despite administration and vicious gangsters.

The producer and director Mrs Allard put "thousands of hours" into the show from the end of October until the

end of show 2. She thought it was amazing and was very proud of all the participating students.

Mrs Dickson, the Headteacher of Stoke High School Orminston Academy, rated the show 10/10 and thought it was brilliant.

A governor of SHSOA said "I'm so grateful to be invited. What a triumph! Good acting and dancing and choreography".

Mr Munro, an IT teacher at Stoke said the show went very well—however the second show was better than

the first.

He put about twenty minutes into the show with improvised "funny" jokes!

The show was critically acclaimed, with high ratings from many people.
