Ofsted said 'Stoke High is a good school.' But pupils Harry and Chloe wanted to find out what the pupils and teachers thought for themselves.

As Year 8 pupils, they interviewed some teachers and pupils at Stoke High to find out more about their opinions.

Head teacher, Mrs Dickson, explained that she thought the school was on track to get the best GCSE results Stoke has ever had. She loves to work with all the children and also the staff and helpers here.

However, she said that she wanted to improve the corridors by brightening them up. In addition, she would like a new performance area, an outdoor seating area where you can eat your lunch and have shelter and more indoor space for wet lunches and breaks.

Pupils Hannah and Abbie said 'The teachers are friendly and there are lots of activities to join in with, but we would like to change the appearance of Stoke High School.'

Ellis and Charley, two young pupils at Stoke High said 'We like the teachers and uniform, but want to improve on the appearance of the school and make it a lot brighter.'

Schools behaviour support assistant,

Mr George, said in his usual laid back fashion 'The school is going good, I like the kids a lot.'

Overall, the teachers and pupils agree with Ofsted's judgment.
