8<sup>th</sup> September 2016

Dear Parents/Carers

## **Year 11 Post-16 Evening**

We would like to take this opportunity to invite you to the Post 16 Evening for the current Year 11. The event will take place in the Sports Hall on Thursday 22<sup>nd</sup> September, starting with a presentation at 7pm.

It is an important event in the Year 11 Calendar as it allows students and Parents/Carers the opportunity to find out further information about the options available once they leave school. We, at Stoke High School, have invited and secured many representatives of organisations who provide courses and advice for those over the age of 16; giving you every opportunity to explore all the options for your child.

The event is part of a programme that we pride ourselves on, ensuring all students are well informed on the transition from High School to Further Education and training. Over the course of this final High School year all students will be preparing CVs, undertaking mock interviews and finding out more about the worlds of work, further education and training. Ultimately, we want your child to be fully informed when making important decisions regarding further education and careers, at the end of Year 11.

We very much hope that you can make it to this event, which we have placed early in the year to ensure that you receive this information before applications have to be made to colleges, sixth forms and training providers, some of which happen before Christmas.

Yours faithfully

Mr A. Pickering  
Assistant Principal

Mrs D. Lamarrec  
Head of Year 11
